## 19.  *Why am I unable to see a grade for my assignment?*

Be sure to check both the **My Grades** tool and the **Assignments** tool **Graded** tab.  If you do not see a grade in either place, then contact your instructor.  The likely reason the grade is not showing up is because the instructor needs to release the grades via her/his **Gradebook** tool.

**If you need additional help, please contact the WNMU Help Desk at** helpdesk@wnmu.edu **or 575.574.4357.**
